ADOPTED SENATE**A RESOLUTION**

- 1 Urging the Department of Natural Resources to recognize Saturday, September 28, 2019, as
- 2 National Hunting and Fishing Day in the State of Georgia; and for other purposes.
- 3 WHEREAS, Georgia has a rich and storied tradition of hunting and angling that dates back
- 4 further than the state itself and carries forward to this day; and
- 5 WHEREAS, Georgia's sportsmen and women were among the first conservationists to
- 6 support the establishment of the Georgia Wildlife Resources Division to conserve fish,
- 7 wildlife, and their habitat and through their license fees helped fund state efforts to provide
- 8 for healthy and sustainable natural resources; and
- 9 WHEREAS, upon realizing that license fees alone were insufficient to restore and sustain
- 10 healthy fish and wildlife populations, sportsmen and women supported self-imposed excise
- 11 taxes on hunting, fishing, and boating equipment to raise additional conservation funds; and
- 12 WHEREAS, to this day, the Wildlife Resources Division is funded primarily by sportsmen
- 13 and women through this American System of Conservation Funding, a "user pays – public
- 14 benefits" approach that is widely recognized as the most successful model of fish and wildlife
- 15 management in the world; and
- 16 WHEREAS, last year alone, Georgia's sportsmen and women generated \$53.99 million
- 17 through this system to support the conservation efforts of the Wildlife Resources Division;
- 18 and
- 19 WHEREAS, Georgia's nearly 1.1 million hunters and anglers support the state's economy
- 20 through spending more than \$2.3 billion annually while engaged in their pursuits; and
- 21 WHEREAS, this spending supports more than 39,640 jobs in Georgia and generates \$216
- 22 million in state and local taxes; and

23 WHEREAS, National Hunting and Fishing Day was established in 1972 to celebrate and
24 recognize hunters and anglers for their immense contributions to fish and wildlife
25 conservation and to our society.

26 NOW, THEREFORE, BE IT RESOLVED BY THE SENATE that the members of this body
27 urge the Department of Natural Resources to hereby recognize the many and varied social,
28 cultural, economic, and ecological benefits of our time-honored traditions of hunting and
29 angling and recognize Saturday, September 28, 2019, as National Hunting and Fishing Day
30 in Georgia, a day to be set aside in celebration of Georgia's sportsmen and women.

31 BE IT FURTHER RESOLVED that the Secretary of the Senate is authorized and directed
32 to make appropriate copies of this resolution available for distribution to the public and the
33 press.
